Funeral from residence, No. 45% Cote Brit-liants avenue, Monday at 2 p. m. Interment pri-

CONNERY—On Sunday, January 5, 1902, at 2 o'clock a. m., Lawrence, belaved husband of Mary Connery (nee Grant).

The funeral will take place Tuesday, 7th Inst., at 8:30 o'clock a. m., from family residence, No. 229 Montgomery street, to Sacred Heart Church, thence to Calvary Cometery, Friends are invited to attend. Please omit flowers.

Louisville, Ky., papers please copy.

DUFFY—On Thursday evening, January 2, 1902, at Fountain Farm, Cadet, Washington County, Mo., from the result of an accident, Michael Duffy, beloved husband of Soran Jane Duffy (nea McGee), and father of Joseph A. Duffy, Mary E. Macmanus (wife of Honerable Frank A. C. Macmanus), Elucira O'Hearn (wife of Michael O'Hearn) and Alphense Luffy of Cedar Farm, Washington County, Ill., aged 74 years.

Fureral will take place from No. 1433 Stewart place, St. Louis, on Monday merning, January 6, 1993, at 5 a. m., from thence to St. Rose's Church (Goodfellow and Etzel avenues), and from thence to Calvary Cemetery. Pittsburg, Pa., papers will please copy.

JAEGER-On Sunday, January 5, 1902, at 9 a.m., Nicholas Jaeger, beloved husband of Mrs. Elizabeth Jaeger (nee Carillon), aged 55 years. Funeral from residence, No. 1194A Morrison avenue, Tuesday, January 7, at 1130 p. m., to St. Vincent Church, thence to SS. Peter and Paul's Comsters.

JOERDING—On Sunday, January 5, 1902, at 120 a.m., Anna Caroline Joerding, beloved wife of William Joerding, and mother of Charles Henry, John and Frank Joerding, aged 55 years 9 months and 8 days. Funcal will take place Tuesday, January 7, 2 p. m., from family residence, No. 4036 North Twenty-fifth street, Friends are invited to at-tend.

MAGUIRE—On Saturday, January 4, 1962, at 4 o'clock p. m., Mary Maguire (nee Hogan), relict of the late Thomas Maguire, after a short lliners.

The funeral will take place Monday, January 6, at 1:29 p. m., from the residence of Daniel Murphy, No. 2233 Lucky street, to St. Mathew's Church, thence to Calvary Cemetery. Friends of the family are invited to attend. Deceased was a native of the parish of Cass-linnie, County Tipperary, Ireland.

MUEHLENBROCK—On Sunday, January 5, 1992 at 2:30 s. m., Derethe Muchlenbrock (nee-Boite), beloved wire of William Muchlenbrock and mother of William Muchlenbrock, Jr., and Edward Muchlenbrock, aged id years 6 months and 16 days.
Funeral will take place Tuesday, January 7 at 1:30 p. m., from family residence, No. 2909 Barrett street. Friends are invited to attend.

PATTERSON-On Sanday, January 5, 1902, at 20 o'clock a. m., Mrs. Mary Patterson, mother f Mrs. Frank Kenne, Mrs. Joseph P. Elleard, harles P. and Elizabeth Patterson, aged 62 Charles P. and Elizabeth Patterson, aged 62 years.

The funeral will take place Tuesday, 7th inst., at 2 o'clock p. mi., from family residence, No. 1424 South Eighteenth street, to St. Vincent's Church, thence to Calvary Cemetery, Friends are invited to attend.

SNAVELY-Entered into rest on Sunday, January 5, 1962, at a o'clock a. m., Rachel, beloved wife of the late Samuel Snavely, and mother of Mrs. Andrew Bood, Mrs. J. W. Peckington, Sarah and Clara Snavely, aged 79 years 5 months The funeral will take place Tuesday, 7th inst, at 9 o'clock a. m., from residence of her son-in-law, J. W. Peckington, No. 1412 Glasgow avenue, to Bellefontaine Cemetery, Friends are finited to attend.

TATUM-On Saturday, January 4, at 2 a. m. Henry Clay Tatum, beloved husband of Fannie Atkins Tatum, in the fifty-third year of his age, Funeral from residence, 21% Adelaide avenue, Monday, January 6, at 2 o'clock p. m. Inter-

SHOULD BE GOOD YEAR FOR ORE PRODUCERS.

Prevailing Condition of Market and Outlook Encouraging to Miners.

GOOD WORK OF ASSOCIATION

By Arranging to Export Their Surplus Product the Miners Have Bettered Their Prospects.

REPUBLIC SPECIAL. Joplin, Mo., Jan. 5.-The first week of the w year is ushered in with ore sales larger than the closing week of the old year, and ompared with the first week of the past ear, an increase of 218 tons of lead, a de rease of 120 tons of zinc and an increase in value of \$20,619 is recorded. Zinc ore sold the past week as high as \$31 per ton. while the highest price a year ago was \$17. but lead ore sold \$4 per ton lower, bringing \$42, the past week, against \$46 a year ago. Although the sales of the first week are ot as large as the average weekly sales of 1991, a comparison with the first week of 1901, and a comparison with the first week of 1900 shows an increase in favor of 1902. Not only is the present price of zinc ore very encouraging for the new year, but the outlook, judging from the best estimate than can be obtained, is exceedingly good that zinc prices will hold firm, with an upward tendency. The Missouri and Kansas Zinc Miners' Association brought the price up an average of \$5 per ton during the last three months of the old year through the medium of exporting the surplus product. It is the intention of the association to hold the price at from \$30 to \$35 for the best grades throughout this year. Not only does the association expect this, but the bestposted smelters concede that the price will not touch a point as low as last year, One smelterman is authority for the statement that there was consumed last year in the United States 40,000 tons more spelter than during the year 1900. This alone is sufficient to prove very encourag-ing. Adding to this the probable further increase this year, together with the in-creasing capacity of the smelters of the natural gas belt in Kansas, and there is good reason for anticipating a year of prosperity for Joplin and the mining territory surrounding it. The average of the sales during 1901 was 4,871 tons of zinc per week, and all of this has been converted into metal and sold. The new furnaces to be built and the additions to the old, it is estimated, will consume an additional 1,000 tons per week after the first of April. To fill such a demant the production of zinc ore must be increased very largely over any preceding year. To supply such an increase will cause every property in the district to be worked to its utmost, and this enlarges the possibilities of the new

year. Hold Key to Situation. The Missouri and Kansas Zinc Miners' Association has shown that it held the key to the price of zinc ore by causing the price to advance on a ratio faster than spelter. This metal is yet too low to jus-tify the prices being paid at present, but

American Missienary Association

Will Observe February 9.

New York, Jan. 5.—The American Missionary Association has issued an appeal to the congregational churches of the country to observe Sunday. February 9, as a memorial of Abraham Lincoln, whose hirthday is February 12. The churches and especially their Sabbath schools and Endeavor societies, are urged to semiphasize they do enter the market. Speiter when they do enter the market. Speiter when they do enter the market. Speiter must and will advance to conform to the higher price of the ore. Paying higher for the ore necessitates the smelter to sell his metal higher. With the resumption of ex-porting this week there will be cause for a growing firmness to the ore market. If the exporting is carried to a point where the smelter must pay \$35 per ton for his ore It can readily be understood that he must further increase the price of his metal. This is obvious from the fact that the zinc-smelting business is now being transacted on a very narrow margin of profit.

Following are the sales in pounds from the tracts of land owned or controlled by

the companies and individua	ile nam	ed for
the week ending January 4, 19	02-	101

The Daughter of Ignorance

It's consumption. If you had only known how your cough was going to hang on, you would have done something promptly, wouldn't you?

But even now, when you have early consumption, the best medicine for controlling your cough and healing your lungs is Ayer's Cherry Pectoral. You had better talk with your doctor about this. If he knows of anything better, be sure and get it. The one great object is to be cured.

"My mother had consumption for many years. At last she was given up to die. A neighbor told her to try Ayer's Cherry Pectoral. She did so and was completely cured, and is today in the enjoyment of good health." - D. P. JOLLY, Avoca, N. Y.

Treasury Bureau of Statistics Compiles Figures for Eleven Months Ending November 30.

HEAVY LIVE STOCK RECEIPTS

Local Consumption at Five Leading Markets Also Exceeded That of Preceding Year-Traffic on the Great Lakes.

Washington, Jan. 5.-The course of the domestic trade of the United States during November and for the eleven months end ing with November is generally satisfac tory. The Treasury Bureau of Statistics reporting on internal trade at interior conters, shows that Minneapolis, Duluth, Milwaukee and Chicago received 161,016,118 bu shels from spring-wheat territory for the first quarter of the current crop year, being a gain of 39 per cent over the first quarter of 1900. At the winter-wheat markets of To ledo, Detroit, St. Louis and Kansas City the first five months of this crop year, or the contrary, shows a decrease in receipts from 46,441,478 bushels to 35,798,728 bushels.

Arrivals of live stock at five Western markets for the first eleven months of 1991 were as follows, including only cattle, hogs and sheep: Chicago, 13,801,057 head; Kansas City, 6,139,529 head; Omaha, 4,155,412 head; St. Louis, 2,444,762 head; St. Joseph, 2,779,777 head, making a total of 30,320,558 head, compared with 27,977,165 head in the months of 1900. The only evidence of de-cline in the live-stock market at Chicago appeared in the decrease in the receipt shipments of holdings. At Kansas City, the receipts have been larger and the nents smaller than for the similar pe

Local consumption at these five markets has generally exceeded that of the preced-ing year, and the shipping movement, both for stocking and for feeding purposes, ex-hibits a more emphatic decrease as the end of the calendar year is approached. Traffic on Great Lakes.

This season's traffic on the Great Lakes has generally exceeded the operations of the preceding season. By way of the St. Mary's cannis 27,817,811 tons of freight were carried to November 30, of which 22,619,965 tons were eastbound from Lake Superior and 5,197,802 tons were westbound. Last season's figures were 20,231,882 tons east-bound and 5,038,656 westbound, making a total of 25,270,538 tons. The freight passing through the American canal amounted to 25,062,522 tons and through the Canadian

canal, 2,791,289 tons.

Four times as many vessels passed through the American as through the Canadian canal and nearly nine times as large a tonnage. Lake traffic for November represents 121 ports of receipt and 187 ports of shipment. The season's receipts increased over last year's receipts in flour, coni, ore and minerals, logs and unclassified freight. Grain alone has fallen off from 160,718,316 bushels last season to 131,348,408 bushels this

At the North Atlantic ports November recelpts of flour and grain at New York were 9,327,817 bushels, including flour reduced to bushels, of which 7,228,771 bushels came by rail and 2,009,046 bushels came by water. The receipts at Boston for eleven months were 48,323,632 bushels, against 48,549,926 bushels in eleven months of 1999. Wheat receipts at Philadelphia during eleven months have doubled those of the preceding year, but this port has lost most in grain receipts. owing to the failure of the corn crop. At Ealtimore the receipts of both flour and grain have made advances over the first eleven months of 1900.

Lumber, Cotton and Tobacco.
Coastwise receipts of lumber at New York from Southern and Eastern sources amounted to 165 cargoes in November. The receipts of domestic wool at Boston during five weeks following October 25, 1901, were 19,821 bales on pared with 3,752 bales in 1900. The coastwise trade at Baltimore reports 799 vessels for the month of October.
In Southern territory, the arrival of cotton at ports for the first three months of the commercial year was 3,55,555 bales, thus exceeding the recipts of the two preceding years, Overland shipments were the lowest in four years, and Southern mill takings were larger than for any of the three preceding years.
The receipts of leaf tobacco at Louisville, Cincinnati, Clarksville, Hopkinsville, Faducah, Nashville and Mayfield for the first eleven months of 1901, were 224,323 hogsheads, compared with 196,633 horsheads in 1990. The six iron-producing districts of Anniston, Birmingham, Nashville, Sheffield, Middleboro and Chaitanooga furnished a freight tonnage of 1,555,675 tons of pig iron, cast iron pipe and small quantities of steel for the first eleven months of 1991.

California Fruit Trade.

On the Pacific Coast, 6,171,298 centals of grain were received at San Francisco durse and mule business and summer to the exclusion of grain were received at San Francisco durse have been the most important commer-Lumber, Cotton and Tobacco.

California Fruit Trade.

On the Pacific Coast, 6.171.998 centals of grain were received at San Francisco during five months. Lumber shipments from Tacoma for November are equally divided between foreign and domestic destinations. For the seven months ending with November the coastwise movement totaled 30,-469.824 feet and foreign shipments 18.334,200 feet. Three North Pacific ports contributed 685.991 barrels of flour for exports from July 3 to November 29, Pertland supplying 266,363 barrels; Seattle 27.881 barrels and Tacoma 191.47 barrels.

The figures for the California fruit trade during the commercial year ending November 1, 1901, show that 6.459 cars of deciduous fruit were shipped, of which 1.442 cars were sent to New York, 1,273 to Chicago, 639 to Boston, 275 to Minneapolis, 257 to Philadelphia and 246 to Denver. Excepting 1899 the last year's shipments were the largest in the history of this trade. The citrus fruit movement for the first five weeks of the new trade year starts out auspiciously with 931 cars, compared with 683 cars for the corresponding period of the preceding season.

Opening Dates: Hotels of the FLORIDA EAST COAST HOTEL COMPANY FOR SEASON 1901-1902.

N order that early visitors to Florida may be inconvenienced as little as possible Norder that early visitors to Florida may be inconvenienced as little as possible by reason of a destruction of a number of Hotels at Jacksonville during the recent disastrous fire, the ALCAZAR, ATST, AUGUSTINE, WAS OPENED ON NOVEMBER 2. We also invite particular stiention to the recent improvements at Palim Teach. In addition to changing the location of the bridge across Lake Worth and bringing the trains into Palim Beach just north of the hotels instead of south of them, the hotels and surroundings have been changed, and improved to such an extent that patrons of past seasons will scarce recognize the Hotels in their new settings.

THE HOTEL ROYAL POINCIANA, WITH ITS 42 NEW ROOMS ADDED THIS SEASON, NOW CONTAINS 1.50 ROOMS AND IS THE LARGEST PERMANENT HOTEL IN THE WORLD.

Opening and closing dates of the hotels of the Florida East Coast Hotel Company, as follows:

Now open. Closes May 1, 1902. JOSEPH P. GREAVES, Manager HOTEL CORDOVA Now open. Closes May 1, 1902.

merce are the expert withdrawals of sta-ples. The Furcau of Statistics shows with-drawals of grain and grain products amounting to 19,073,999 bushels during No-vember, 1901, compared with 31,229,889 bu-shels for November, 1909. For eleven months, enoing with November, the cor-responding export withdrawals from the na-tional surplus were 302,423,839 bushels, com-pared with 299,513,550 bushels in 1860, Flour withdrawals were 17,432,784 burnels and 18,-849,260 burnels, respectively. Both grain and withdrawals were 17.012.734 berrels and 16.349,266 barrels, respectively. Both grain and flour, therefore, have continued to increase their contribution to the outgoing trade by a considerable margin over that of the preceding year.

Packing-house products and dalry products show a slight falling off from 1.92.627.976 pounds for the first eleven mouths of 1900 to 1.959.123,346 pounds in 1991. The withdrawals of cotton to November 20, 1960, amounted to 2.442.117 bales, and 2.588,391 bales for a like period of 1901. The exports of mineral oil, the fourth great feature of the outgoing movement, exceeded those of 1900 by almost 50,000,000 gallous.

ranches.

The South African horse and mule business has been the most important commercial venture Kansas City dealers ever shared in. They have, in every instance, made money off it. They have, for the past twelve months, worked in close trade relations with the big dealers of St. Louis, the result being a very strong market, with no shadow of a break in price.

"When passing behind a street car, look out for the car approaching from opposite direction."

THE REVEREND NELSON GILLAM. Richmond, Ind., Jan. 5.—The Reverend Nelson Gillam, 87 years old, and one of the most widely known Indiana ministers, died here to-day.

BURGLARS BREAK A WINDOW

Steal Wearing Apparel From Olive Street Store-Other Crimes.

Clothing Company's store at No. 868 Office street was broken early vesterday morning and wearing apparel valued at \$75 was ing and wearing apparel valued at \$50 was stolen from the display window. The goods atolen consist of an overcoat, two suits of clothes and five pair of trousers. The building is equipped with a burgiar alarm, but it falled to work. A mail clerk, who was standing in front of the Post Office, saw two men break the window and snatch the clothing. He says they ran west on Olive street, but he was unable to give any description of them.

Two barrels of flour valued at \$9 were stolen Saturday night from the hallway at two barrels of flour valued at 8 were stolen Saturday night from the hallway at No. 1614 North Eleventh street. The flour belonged to Isaac Smith. While Joseph Wortman, a driver for the St. Louis Dairy Company, was delivering milk at No. 1328 Chouteau avenue, a thief stole 169 pounds of granulated sugar from the wagon. the wagon.

A pair of shoes belonging to Roy Jones of No. 3041 Eads avenue was stolen from the bank of the lake in Lafayette Park, while he was skating.

WILL INSPECT NEW ASYLUM.

Home for Incurable Insane to Be Opened in Peoria.

Peoria, Ill., Jan. 5.-A very important

Peoria, Ill., Jan. 5.—A very important meeting of the Commissioners of the Asylum for Incurable Insane is to be held here to-morrow, at which time the details will be arranged for the formal opening of the institution, which will likely be set for February I.

The Commissioners will go direct to the grounds for a thorough inspection. It has been decided to open the institution with 400 inmates and rapidly increase this number to 700, the full capacity.

At this meeting the clerk, assistant physicians, cook, engineer, twenty attendants and other minor positions will be filled.

James R. Conway of this city seems slated for the important position of clerk of the board. Doctor Carriel of Jacksonville will be in charge until Doctor Zeller, the superintendent, arrives from the Philippines.

MRS. MARION JACKSON. Sweet Springs, Mo., Jan. 5.—Mrs, Marion Jackson, wife of Professor Jackson, a well-known educator, died here on Saturday of cancer. Three surgical operations were performed on her in less than eight months, the last one making it necessary to amputate her left limb.

RICHARD GOLDSBOROUGH. Santiago de Chile, Jan. 5, via Galveston.— Richard Goldsborough, a well-known min-ing engineer, is dead here. ARTHUR HARMON.

REPUBLIC SPECIAL Charleston, Ill., Jan. 5.—The bursting of a blood vessel caused the death of Arthur Harmon of Kansas Township last night. Mr. Harmon was a wealthy and well-known resident of this section.
